

Certificate II in ESI – Powerline Vegetation Control UET20319

DNA Training Solutions Pty Ltd proudly provides quality Nationally Recognised Training with Thoughtplanters (Australia) Pty Ltd RTO 40739

Our team will help assist you in selecting which is the right elective stream for your career goals and aspirations as we provide quality training solutions to upskill your skills and knowledge.

Our online learning portal allows you to work through the tasks at your own pace.

CAREER OPPORTUNITIES

- ESI Assessor
- Ground Crew
- Cutter Working From EWP
- Specialist Plant Operator
- Tree Climber
- Network VESI Worker
- Subcontractor
- Council Vegetation Management Worker

QUALIFICATION DESCRIPTION

This qualification provides the skills and knowledge to work in the electricity supply industry (ESI) as a Powerline Vegetation Control Worker.

This qualification covers competencies for the operational role of planning and carrying out vegetation control at and above ground level near live electrical apparatus. It also includes complying with relevant legislation, applicable industry guidelines, codes of practices or other related requirements for safe work and access near live electrical and mechanical apparatus.

Duration is typically 10 – 14 days

UET20319 Certificate II in ESI – Powerline Vegetation Control

CORE UNITS

UEENEEE101A	Apply Occupational Health and Safety regulations, codes and practices in the workplace
UETTDREL13	Comply with sustainability, environmental and incidental response policies and procedures
UETTDREL14	Working safely as a non-electrical worker near live electrical apparatus
UETTDRCV23	Plan the removal of vegetation up to vegetation exclusion zone near live electrical apparatus
UETTDRCV27	Monitor safety compliance for vegetation work near live electrical apparatus
AHCMOM213	Operate and maintain chainsaws

INDUSTRY REQUIRED TRAINING

UETDTRRF10B	Provide first aid in an ESI environment
HLTAID001	Provide CPR
PUAWHS002	Maintain Safety at an incident scene
PUAFIR210	Prevent Injury

VESI TRAINING INCLUSIONS

UETDTRRF01	Apply ESI safety rules, codes of practice and procedures for work on or near electrical apparatus (Green Book / Blue book) – this is mapped to core units & inclusive VESI Safety Framework, VESI Environmental Framework, VESI Safe Approach Distances – Vegetation Work Safe to Approach SWER
TLID1001	Shift materials safely using manual handling methods

Select from the following Streams when you enrol in UET20319 Certificate II in ESI – Powerline Vegetation Control

GROUND CREW ELECTIVE STREAM

AHCCHM201	Apply chemicals under supervision
UETDTRVC33	Apply pruning techniques to vegetation control near live electrical
UETDTRVC26	Cut vegetation at ground level near live electrical apparatus
UETDTRVC31	Operate specialist equipment at ground level near live electrical apparatus
FWP HAR2206	Operate a mobile chipper/mulcher (Cert II ESI Core Unit)
AHCMOM304	Operate machinery and equipment

CUTTER WORKING FROM EWP ELECTIVE STREAM

UETDTRRF08	Perform EWP controlled descent escape
UETDTRRF03	Perform EWP Rescue
UETDTRVC25	Use elevated platform to cut vegetation above ground level near live electrical apparatus

TREE CLIMBER ELECTIVE STREAM

UETDTRVC21	Use climbing techniques to cut vegetation above ground near live electrical apparatus
UETDTRVC34	Undertake release and rescue from a tree near live electrical apparatus
AHCARB204	Undertake standard climbing techniques

ASSESSOR ELECTIVE STREAM

AHCPCM201	Recognise plants
UETDTRVC24	Assess vegetation and recommend control measures in an ESI environment

ASSESSMENT METHODS INCLUDE

- Written Questions
- Questions and Answers
- Role Plays and Scenario Case Studies
- Practical Observations
